Nicholson®

NICHOLSON

FILES

Nicholson 6" Round File, Cut No. 2 (Swiss Pattern)

Round files taper throughout their length to a fine point. Double-cut.

NI40663

Nicholson 6" Pippin File, Cut No. 2 (Swiss Pattern)

Pippin files, sometimes called "Apple Seed" files, have rounded backs which taper to a sharp edge. They also taper to a point in both width and thickness.

NI40506

Nicholson 4", 6", and 8" Warding Bastard Cut

Warding files are rectangular in section and used principally by locksmiths in repairing or filing ward notches in keys. Also suited for use in narrow spaces where other files will not fit. All double cut on sides- single cut on edges.
